

# Respawn Journal

Day 24

# Definition of respawn?

# This is your chance for change.

- New quarter=unique chance for fresh start/clean slate
- You've got a decision to make:
  - Analogy of gaming
    - Sniping—what to do during the “time penalty”
  - Like IRL
    - When you run back onto the map of English 9, are you going to go down the same way, or are you going to make adjustments?

# Think about the learning tasks from English. Did you “Play Like a Champion”?

- Reading/annotations
- Responses
- Bringing work to class
- Participating in discussions
- Journals
- Socratic Seminars
- Essays
- Choice reading first 15 minutes
- **Did you do your best (gave 100% to each of these tasks 100% of the time) to each of these? Or did you get “sniped” with some of them?**

Anyone can make a goal...

What are you going to do with your fresh start?

1. On a scale of 1(low)-5(high), how close were you to giving your best every moment with every task?
2. What are some ways you got “sniped” 1<sup>st</sup> quarter in this class? (annotations/responses, essays, participation, journals, choice reading)
3. What is at least one goal you have for 2<sup>nd</sup> quarter in this class? (Make it specific and measurable.)
4. What do you need to do (specific **actions**) to make sure it doesn't go down the same way again? **Be thoughtful and clear here.**

# Rest of class to work with groups:

- Finish presentation slides
- Practice presentation of story
- Make sure each group member has a copy of the full presentation save in U drive
- Do any other extra planning if needed (meetings outside of class or other)
